

# RGB FOR ALL

## TRUE RETROFIT RGB SYSTEM

New Retrofit RGBW Pixel system. Uses standard C9 socket wire. Unlike current retrofit systems bulbs are individually controlled. So they are capable of not just static colors, including true warm white, but dozens of amazing linear motion effects and static repeating color patterns.

## 29 COLOR COMBOS

Single Color-Red  
Single Color-Green  
Single Color-Blue  
Single Color-Yellow  
Single Color-Orange  
Single Color-Purple  
Single Color-Warm White
